Fuchsias . . .

We maintain growing plants of all our Fuchsias for display purposes and our garden is a riot of color all during the summer and fall. The public is cordially invited to enjoy this display and here you may see the Fuchsias grown in the various forms; trailing in hanging pots, trained to tree form, and also espaliered. Each year we hold a Fuchsia Show at the Nursery open to the public when Fuchsias are at the height of bloom. This generally occurs in early September and at this time a preview is given of new varieties to appear the following spring. Keep this period in mind as we have thousands of people who eagerly look forward to this occasion.

CULTURE—Fuchsias love the shade and moisture and for this reason are well adapted for the shady side of buildings where they give a wealth of bloom. They respond to a rich soil and applications of well rotted manure is advocated with additional feedings of more concentrated plant food. They will not stand an outside temperature below 20 degrees Fahrenheit.

PRICE—Price of all plants except where noted otherwise is as follows:

From 4-inch pots, 50c each.

Many varieties in larger sizes from \$1.00 up.

Trailing varieties in 10-inch hanging pots, \$3.00 up.

New Introductions in hanging pots at \$4.00 up.

SUBSTITUTIONS—When ordering by mail it would be wise to list a few substitute varieties in case certain ones ordered are out of stock. Otherwise we will use our discretion in making substitutions.

SALES TAX—All orders in California carry a 4% Sales Tax and should be added to remittance sent. Orders shipped outside of California are not subject to this tax.

SHIPPING—We prepay all cash orders over \$4.00 in California. Outside of California, shipping charges are to be paid by purchaser. Such orders will be sent charges collect if payment does not cover. For instance, four plants from four-inch pots will weigh five pounds packed for shipment and for each plant over four add one-half pound and rates from the different zones may be computed. No Canadian or foreign shipments.

SAMPLE SHIPMENT—A Special Offer of 12 plants, all named and different, for \$5.00. Postpaid west of the Rockies. Add \$1.00 for shipment east of Rockies.

50 Plants, all named and different, for \$15.00. East of the Rockies add \$3.50. Postpaid.

1957

Fuchsia Introductions

ANGEL FLIGHT (Martin) — Long white tube and wide deep pink sepals, double white corolla with long petals in center, shorter on outside. Low bush. \$1.00 each.

ANGEL ISLAND (Reedstrom) — Trailer with medium large double frosty white blooms, long white tube and dainty upturned white sepals. \$1.00 each.

BALL OF FIRE (Reedstrom) — Double bright red with fiery orange red overtones and sepals of bright red. A very striking fuchsia and we believe a really new color in fuchsias. \$1.00 each.

BLUE BIRD (Waltz) — Natural trailer with semi-double corolla of deepest violet blue petals with scalloped over-lapping edges, tube short and long pointed sepals are snowy white. \$1.00 each.

BLUE SIERRA (Waltz) — Full double corolla of silver blue changing to soft lilac, short tube and wide upturned sepals are white flushed palest pink underneath. \$1.00 each.

BRIGADOON (Erickson) — Large long bud opening into very large double flower of violet blue overlaid and marbled with fuchsia pink. Tube and broad sepals pink with light green tips. Tall willowy grower. \$1.00 each.

CARA MIA (Schnabel) — A trailer with semi-double globular corolla of deepest crimson, the long pointed reflexed sepals of palest rose pink. \$1.00 each.

CONSTELLATION (Schnabel) — Medium large double ivory white with clear white pointed sepals. Medium size bush. \$1.00 each.

CRAZY QUILT (Reedstrom) — Single pale pink with purple blotches on corolla petals. Sepals of palest green on outside and shell pink underneath. \$1.00 each.

DALY CITY (Martin) — Large double corolla with outer rim petals deep blue graduating to rose pink in center and wide thick light red sepals. \$1.00 each.

DARK SECRET (Hodges) — Double corolla of deep violet, a few outer petals marked phlox pink, short greenish tube and heavy broad upturned sepals waxy white outside, palest pink inside. Medium bushy habit. \$1.00 each.

EMBERGLOW (Tiret) — Trailer, medium sized double corolla lilac purple changing to smoky hue of rose and red retaining narrow edge of pale lilac purple. Recurving sepals of carmine rose tipped green. Makes an excellent trailer. \$1.00 each.

EVENING SHADOW (Kennett & Ross) — Medium double corolla of deep purple outer petals marbled pink. Tube white and broad sepals with white upper surface and lower surface white flushed purple. Upright type. \$1.00 each.

NEW FUCHSIA INTRODUCTIONS—Continued

FAIRY PRINCESS (Martin) — Double corolla opens to square orchid blue petals with base lightly marbled pink, flesh pink sepals tipped green. Bush. \$1.00 each.

FIREBALL (Waltz) — Natural trailer with unusual color changes as flower matures. Double corolla of ruddy purple with splashes of carmine at base of petals and changing to blue purple and into brilliant red. Bright carmine sepals tipped green are broad and upturned. \$1.00 each.

FIRST LOVE (Kennett & Ross) — Trailing, large double clear orchid corolla, outer petals having some marbling of pink and white, the tube and long sepals white flushed pink. \$1.00 each.

FORT BRAGG (Weichart) — Beautiful trailing sport of Enchanted with double corolla of pale lavender rose with bluish tinge and tube and broad upturned sepals of a rose shade \$1.00 each.

GIANT FALLS (Erickson) — Double creamy white corolla with light pink veining. Broad upturned pink sepals are tipped palest green. Willowy growth. \$1.00 each.

GLOWING EMBERS (Kennett & Ross) — Trailing large single corolla of burnt orange to red and the tube and thick sepals a watermelon pink. \$1.00 each.

GRANADA (Schnabel) — Large double corolla of rich purple with deep carmine sepals whose color runs down into corolla. Medium upright bush. \$1.00 each.

IMPUDENCE (Schnabel) — Wide open single corolla of white petals veined rose, with long slim sepals of light red. Medium bush. \$1.00 each.

KING SIZE (Kennett & Ross) — Large very double corolla with royal purple center petals and outer petals marbled with shades of purple, tube red with sepals white flushed faint purple. \$1.00 each.

LORALEI (Martin) — Double corolla opens pale lavender blue with rose pink at base, deep rose red tube and wide sepals. \$1.00 each.

LUNADO (Tiret) — Very large double purple corolla fading red with tube and sepals of rose pink. Upright with early blooming habit. \$1.00 each.

MARIE LOUISE (Martin) — Very large double with serrated white petals veined red and extra wide, thick bright red sepals. Bush. \$1.00 each.

MASTER STROKE (Hodges) — Large double white with pink flush on shorter petals and also on the white sepals. All petals curl and twist and this near white is a distinct novelty. \$1.00 each.

MABELLE EDWARDS (Waltz) — Single clear pale pink bell shaped corolla with outer petals scalloped. Long pointed bud with frosty white sepals upcurled. \$1.00 each.

ORANGE GLOW (Munkner) — Single deep orange flaring corolla with reddish tube and the inside of the upturned sepals same color as corolla. \$1.00 each.

NEW FUCHSIA INTRODUCTIONS—Continued

ROSECREST (Waltz) — Large double corolla of deep lilac mauve turning bright carmine rose, the tube and broad upturned sepals with tinge of palest pink. \$1.00 each.

SAMSON (Fuchsia Farms) — Trailer with large double corolla of dark plum purple, very long tube pink with wide pink to deep rose sepals. \$1.00 each.

SHOW-OFF (Hodges) — Very large single opening flat with bright rose petals and sepals. Upright bush that produces lots of bloom. \$1.00 each.

SIDE SHOW (Erickson) — Double fluffy corolla white with palest pink undertone veined rose pink, tube and broad upturned sepals deepest red. Trailer. \$1.00 each.

Anna (See Pages 7 and 14)

NEW FUCHSIA INTRODUCTIONS—Continued

SILVER BLUE (Hodges)—Double corolla of a lovely soft silvery blue paler at base of petals, sepals rose pink with greenish flesh at tip. A beautiful fuchsia. \$1.00 each.

SILVER SLIPPER (Hodges) — Best as trailer with double white corolla veined light pink near petal base, soft pink tube and long narrow upcurved sepals. \$1.00 each.

SNOW BUNNY (Hodges)—Best as a trailer with double creamy white corolla shot with faint pink flush, medium size waxy tube and broad upturned sepals white edged rose at base. \$1.00 each.

SOMBRERO (Nelson)—Large double brilliant rose with flesh colored tube and sepals of light to deeper pink. Thick recurved sepals suggest name. \$1.00 each.

SUNKISSED (Tiret) — Semi-trailer with double medium sized corolla of red to crimson and pink tube and sepals tipped green. \$1.00 each.

SWEET LEILANI (Tiret)—Huge corolla of smoky blue with tube and recurving sepals of pale rose pink. Upright vigorous grower. \$1.00 each.

THUNDERBIRD (Tiret) — Natural trailer with early and profuse bloom. Double vermilion corolla to rose, tube and extremely long sepals are rose. \$1.00 each.

TICKLED PINK (Reedstrom)—TRIPHYL-LA TYPE. Long tube is dark pink as is the outside of sharp pointed sepals but white underneath, corolla is bright pink, the plant is a bushy compact grower. \$1.00 each.

PRICE OF ALL 1957 INTRODUCTIONS
\$1.00 Each—Any 6 for \$5.00

Fuchsia Pruning Time

The early part of February is the best time for pruning these popular shrubs that should be in every Bay Area garden. By this time all danger of severe freeze is over, as ordinary frosts, which will still come for several weeks yet, do no harm to Fuchsias. Fuchsias flower more freely and give better and larger bloom if given a good pruning. You cannot kill a Fuchsia plant with heavy pruning and they are one plant you can make many mistakes on and still get good results. In general, plants should be cut back about one-half with the exception of the very dwarf or slow growing types and with these exceptions, cut back about one-third. Thin out all dead and twiggy growth and cut out crossing branches, particularly in the center. Save the strongest shoots and those growing in the direction needed to make a shapely plant. Don't hesitate on cutting back all hanging basket types as it is necessary to promote new growth from the crowns. After pruning it is advisable to thoroughly spray all plants, using a mixture of VOLCK and ISOTOX to control insects that may be wintering over on the plants. After growth begins later in the spring, aphids and white fly appear on the new growth and the best spray at that time is MALATHION.

Trailing Fuchsias

For window box culture, hanging pots and baskets.

ANNA (Reiter)—Sepals, tube and base of petals strong carmine, very large double corolla of magenta. Vigorous growth and the largest flower of self color group.

BALI HI (Tiret) (Pat.)—Trailer with double corolla beginning violet blue, opens to mauve blue, broad tube and upturned sepals white. Good foliage and abundance of medium large flowers. \$1.00 each.

BLOOMER GIRL (Muriel Waltz) — Double bell shaped flowers in a natural trailer. Pleated petals of palest pink veined carmine. Short tube and sepals of bright carmine. Extra good hanger.

BLUETT—Trailer with tiny double lavender blue corolla and rose red sepals. A very pretty little trailer.

BOUFFANT (Tiret)—Long single white corolla veined pink at base, short tube and long broad sepals deep red.

CHIQUITA (Reiter)—Trailer with masses of medium double flowers of pale rosy orchid with small crinkly foliage. A natural trailer that will be a good addition to this class. 75c each.

CONSPICUOUS (Tiret) — Double compact corolla of clear China Rose, pale rose recurved sepals changing to lighter shade on the tube. A good grower and heavy bloomer. Trailer. 75c each.

FIREGLOW—Double rosy red corolla, sepals light rose. First we have carried this. 75c each.

GOLDEN MARINKA (Weber) — A good novelty trailer with the same self color deep red flowers of the original Marinka. Each leaf of Golden Marinka is variegated with gold, especially near leaf edges, turning to cream as leaves mature. 75c each.

JACK SHAHAN (Tiret) — Trailing single variety with long tube and sepals. The tube and pagoda shaped sepals are of the palest Rose Bengal and the petals of the same margined a deeper shade.

LILIBET (Hodges)—Double soft rose corolla flushed geranium lake, long tube and recurved white sepals flushed pale carmine. Beautiful long pointed, green tipped buds. Best displayed as a hanger. 75c each.

MAYFLOWER (Hodges)—Double, spreading corolla of light pink, sepals deep pink to rose, tipped green. Good sized flowers well displayed in hanging basket. Trailer. 75c each.

MILLIONAIRE (Tiret)—Trailer of strong growth and good foliage. Very large double flowers of deepest violet purple, short tube and broad sepals of rose red to deep red. The richest coloring of any double fuchsia. 75c each.

MONSTERA (Reedstrom)—Semi-double corolla is magenta and mottled, slightly paler at the base. Buds are deep crimson and sepals turn back over an extremely long stem. Natural trailer. 75c each.

PINK POPCORN (Hodges) — Trailer of strong growth with large single corolla of white, serrated and pink veined central petals and smaller outer petals of phlox pink. Long waxy tube and broad light pink, green tipped sepals. 75c each.

PINTO (Fuchsia-La)—Trade Mark Reg. Double cream white with prominent cerise rose splashes on outside petals. Tube and reflexed sepals of brightest rose red. Trailer. 75c each.

PLUM GLORY (Schnabel)—Trailer with double globular flowers of plum purple and recurved broad sepals of deep carmine. Free flowering and self branching. 75c each.

TRAILING FUCHSIAS—Continued

Uncle Jules (See Page 23)

SKYLARK (Kenneth & Ross)—

Large single corolla of violet blue shaped square with outside sepals white and inner pink, short white tube, but sepals are very long and tapered. Large single blue trailer.

SO BIG (Waltz)—

Natural trailer of huge double flowers. Large long stemmed pointed buds open slowly to blooms of creamy white and long upturned sepals of pale pink which open measure five inches from tip to tip. 75c each.

STARRY TRAILS (Waltz) —

Long single corolla of brightest rose bengal with the tube and very long outspread sepals of flesh flushed pale salmon. Large flowered trailer. 75c each.

PURPLE NIGHT (Waltz)—A natural trailer with double medium to large flowers. Center of corolla a deep royal purple while outer petals are heavily marbled with white and phlox pink, short white tube tipped with pink at base and the upturned sepals are frosty white flushed pink. 75c each.

ROSE CHIFFON (Schnabel) — A semi-double natural trailer with apricot overtones. Flowers are a blend of Rose Bengal in the corolla with Rose Madder sepals. The petals are apricot tinted giving the flower a warm rose pink cast. 75c each.

SAN JOSE (Erickson) — A sport of San Pablo but a little more trailing in habit. The large corolla is white and the sepals rose pink to rosy red. Should be a popular addition to the trailers. 75c each.

Fanfare (See Page 10) ➤➤

TRAILING FUCHSIAS—Continued

STOP-LITE (Schnabel) — Semi-double corolla of brilliant Tyrian Rose flecked with Geranium Lake. Short sepals of carmine rose and white tube. Strong trailer. 75c each.

STREAMLINER (Tiret) — Patented. Long semi-double corolla of deep crimson and extra long twisted and curved crimson sepals. Very showy as a trailer. \$1.00 each.

SUMMER SNOW (Waltz)—Trade Mark Reg. Semi-double white corolla, tube and curved upturned sepals white tipped green. One of the Waltz outstanding introductions. Natural trailer. \$1.00 each.

SWINGTIME (Tiret) — Double milky white corolla with slight pink veining at base. Tube and short upturned sepals shiny red. Good branching habit which should make a good basket type. 75c each.

Erecta (See Page 10)

TINKER BELL (Hodges)—Long single white corolla veined soft pink. Tube is long, spreading, then upturned. Sepals range from white to pink. Spreading habit but displayed as a hanger. 75c each.

TRAIL BLAZER (Reiter, Jr.)—Double trailer of the Anna type—deep magenta corolla and sepals of slightly paler shade. Extra good hanging basket type. 75c each.

TUMBLING WATERS (Reiter)—True cascade trailing type with double corolla of cyclamen purple and reflexed sepals of dark crimson on outside and light crimson inside. A fine addition to the blue trailers. 75c each.

VAGABOND (Schnabel)—A double trailer with huge flowers of brilliant deep magenta flushed carmine and short tube and broad upturned sepals of brilliant carmine. 75c each.

Bouffant
(See Page 7)

Single Flowered Fuchsias

ANTIGONE — Large loose growing plant with gorgeous single flowers of waxy white sepals and deep orange pink corolla. Individual in form and color of flowers.

ARBORESCENS (*Syringaeiflora*) — Mexico. Erect terminal panicles of small rosy lilac flowers. Different from all other Fuchsias. Strong growing.

AURORA SUPERBA — Sepals and tube of light orange apricot, corolla of deep orange peach. One of the very fine importations of a few years ago.

BOLIVIANA (*Braziliensis*) — Bolivia. Standing more sun and heat, tall growing, free blooming over the summer, with clusters of long thin flowers of scarlet red.

CHANG (Oriental) (Hazard & Hazard) — Single, floriferous. Coloring and form suggest the Orient. Tube and back of sepals tinted with same color. Inside of sepals is almost white. Petals are delft rose; sometimes scarlet, frequently a blending of scarlet and pomegranate purple.

CITATION (Hodges) — A prize winning Fuchsia with single corolla of four broad white petals, lightly veined pink at base which open to wide saucer form. Tube and medium sized upturned sepals light to rose pink. Bushy, upright grower. 75c each.

CLAIRE DE LUNE (Moonlight) — Broad leaves similar to MONTEREY. Long narrow blooms of salmon-orange, corolla flaring out at the end of tube.

BOLIVIANA ALBA — Peru. Tall growing with long thin white tube and sepals and short deep red corolla. 75c each.

COUNTESS OF ABERDEEN (Schneewitchen) — A gem in the Fuchsias with small pale pink, sometimes white corolla, with white tube and sepals.

ERECTA — Single white and light pink, corolla margined with rose. Flowers erect.

FANFARE (Reiter Sr.) — Very large trumpet shaped flower with an amazing rich coloring. Exceptional vigor and fine foliage. The long narrow tube and sharply pointed sepals of a varnished turkey red. The large flaring corolla is of pure scarlet.

FULGENS — Mexico. Large, hairy, light green leaves with orange vermillion corolla, orange-pink tube with green tipped sepals.

GAY SENORITA — Single bell shaped corolla deep lilac flushed rose with distinct light border edging the petals. Sepals long and spreading, deep rose red. Good grower and free flowering.

HERON — Very large corolla of blue purple flushed carmine at base, broad scarlet sepals with deep crimson on reverse. Very fine medium grower.

ISIS — Mexico. Medium height, with small glossy blue-green foliage and a mass of tiny bright crimson flowers.

LA BIANCA (Tiret) — Single white corolla and short tube and long upturned sepals white tipped green. Medium grower. 75c each.

SINGLE FLOWERED FUCHSIAS—Continued

MME. AUBIN—Vigorous grower with deep orange pink corolla and soft salmon sepals.

MAGELLANICA GRACILIS — Peru and Chile. Strong growing, almost climbing in habit. Small narrow leaves and small thin flowers with narrow red sepals and short purple corolla.

MAGELLANICA GRACILIS VARIEGATA —Flowers same as Gracilis above with silvery white variegated foliage.

MAXINE ELIZABETH (Tiret)—Single bell shaped corolla nearly white at base, deepening to rose-red toward orange-flushed petal edges. Long, upright sepals flushed pink on outside, salmon pink on inside. Strong upright grower with large flowers.

MAZDA (Reiter)—Large single of crisp, deep carmine, spreading corolla and gracefully recurved sepals. A prize winner.

MINUET—Very floriferous in brilliant red sepals and purple single wide open corolla. Upright growth.

MISS CALIFORNIA (Hodges) — Single to semi-double white with faintest pink glow inside corolla. Short tube and long broad pointed upturned sepals of medium pink shaded deeper pink.

MORNING GLORY — Single orchid pink and pale pink. Corolla clear orchid pink, flaring as Sunset, sepals upturned pale pink. Free blooming, self-branching.

MRS. J. D. FREDERICKS (Evans & Reeves) — Fast growing plant with masses of dainty salmon pink blossoms. Should be allowed to grow into a large spreading specimen.

MRS. W. P. WOOD (W. P. Wood)—Imported from England by Reiter Jr. Small flowered pale rose nearly white. Single flower with great vigor in growth.

OREGON TRAIL (Hodges) — Single hoop skirt corolla of light amparo purple veined rose red; tube and sepals are crimson. Medium spreading grower.

OTHERFELLOW (Hazard) — Small single flower with very soft rose shading to white at base. Waxy white tube and sepals.

PERIWINKLE (Hodges)—Long single corolla of lavender blue, long recurved pink sepals. Can be used as a trailer. 75c each.

PINK CLOUD (Waltz)—Single corolla of light orchid pink, short waxy tube and long, broad recurved sepals of phlox pink tipped pale green. Upright grower like Sleigh Bells, of which it is a seedling. 75c each.

SINGLE FLOWERED FUCHSIAS—Continued

PINK POPCORN (Hodges) — Trailer of strong growth with large single corolla of white, serrated and pink veined central petals and smaller outer petals of phlox pink. Long waxy tube and broad light pink, green tipped sepals. 75c each.

PLEROMET (Niederholzer)—Tall upright growth with sepals of Turkey red rolling up and single corolla of very dark violet.

PURPLE SAGE (Hodges) — Single saucer shaped deep purple corolla opening perfectly flat with recurved deep red sepals. Medium grower.

REFLEXUS—Small bushy plant with tiny flowers of orange scarlet and reflexed red sepals.

ROSE OF DENMARK—One of the best with corolla of pale rose shading to deeper rose at edge of petals, reflexed pale blush sepals.

ATLAS FISH EMULSION

Tests by the Nursery and others have proven

ATLAS FISH EMULSION

as the most effective fertilizer for Fuchsias. Simply dilute in water as per directions on containers and water plants during spring and summer every month to six weeks intervals.

**Pints 90c Quarts \$1.50
Gallons \$4.50**

Mrs. J. D. Fredericks (See Page 11)

SINGLE FLOWERED FUCHSIAS—Continued

ROYAL FLUSH (Hodges) — Very large single flower of royal purple petals, flesh colored at base and veining toward center. Tube and broad, long upturned sepals deep red. Flat open flower on medium tall plant.

SAN FRANCISCO (Reiter Sr.) — Trailing type. A rather thick translucent tube and the sepals are a pale carmine rose in the inside and carmine rose on the outside. Large single corolla of pure deep orange red.

SERENADE — Very strong grower with immense clusters of single rose pink blooms with light pink sepals. Huge flower mass at tips make a grand show.

SLEIGH BELLS (Schnabel) — A single all white beautiful flower. The single white corolla forms itself into a perfect bell. Can be grown as a bush or is fine as a trained espalier. 75c each.

SERRATIFOLIA (Denticulata) Peru and Chile. Long tube white tinted carmine shading to green at tips of sepals, deep orange pink corolla shading to carmine at base.

SOUTH PACIFIC (Hodges) — Large saucer shaped single corolla of white petals veined deep pink, opening perfectly flat, broad upturned crimson sepals. Upright bushy grower.

THYMIFOLIA — Mexico. Minute flowers in profusion with tiny crimson sepals and petals. Tube of lighter shade. Prominent white stamens. One of the smallest flowers of the group.

TIPTOP (Hodges) — Single royal violet purple corolla with short tube and long spreading sepals of bright red. Strong upright grower. 75c each.

Triphylla Hybrids

CORALLE—Large clusters of rich orange salmon flowers. Blue green leaves.

GARTENMEISTER BONSTEDT — Flowers glowing brick red with orange shading. dark bronze red foliage.

TAUDESCHEN BONDSTEDT—Long tubular large flowers in clusters of pale salmon pink color.

THALIA—Bronze green foliage and long orange scarlet sepals and short orange red corolla. Tall upright growth.

Other Berkeley Horticultural Specialties

CAMELLIAS

Besides our collection of America's Finest Fuchsias we have been building up a large assortment of Camellias and we now offer over 200 varieties, a long list of the most popular as well as the more unusual. No catalog on these.

HANGING POTS

We are happy to be able to offer hanging pots, without plants, complete with wires for hanging up in the following sizes:

10 inch pots at.....\$1.50 each
(10-inch size usually used for Fuchsias)

12 inch pots at.....\$2.00 each

12 inch green glazed pots
with wires.....\$3.00 each

Redwood Hanging Baskets at
\$2.50 and \$3.00 each

Double Flowered Fuchsias

AFTERGLOW (Reiter)—Medium sized double flowers open from cream buds into frilly powder puff flowers of unfading pale flame. Tubes and recurved sepals are creamy, maturing pale rose.

ANNA—Sepals, tube and base of petals strong carmine, very large double corolla of magenta. Vigorous growth and the largest flower of self color group. See color plate, page 5.

AUNT JULIANA (Hanson)—A pale lavender blue sport of UNCLE JULES. A fine addition to the blue group of Fuchsias.

BALI HI (Tiret) (Pat.)—Trailer with double corolla beginning violet blue, opens to mauve blue, broad tube and upturned sepals white. Good foliage and abundance of medium large flowers. \$1.00 each.

BERKELEY (Reiter) — Large flowering, free blooming and a vigorous grower. The double flowers are brilliant Tyrian Rose with marbling and edging of lighter tones. The tube and sepals are of a lighter tone. Flowers in heavy clusters. 75c each.

BEWITCHED (Tiret) — Patented. Double deep violet purple corolla, tube and outside of sepals white, inside flushed pale pink. Large flowers and will make an excellent hanger. \$1.00 each.

DOUBLE FLOWERED FUCHSIAS—Continued

BLACK MAGIC (Hodges)—Double corolla of wide spreading curled and twisted petals of very deep purple and broad recurved sepals of deepest red. 75c each.

BLUE AND GOLD (Reedstrom)—Full double mauve blue corolla and sepals of palest pink. Lemon yellow foliage on a vigorous growing plant. A good addition to the 'foliage' fuchsias. 75c each.

BLUE PENDANT (Brown)—Trailer in double pale blue corolla with reflexed pale rose tipped white sepals. Very fine.

BLUE WAVES (Waltz)—Double corolla with waved petals of deep campanula violet, tube is flushed pink and upturned sepals are Neyron rose. The outer petals are splashed rose white, the center remains deep violet blue. Can be pinched to make a basket. 75c each.

BOUDOIR (Reiter)—Large double flowers of daintiest coloring, petals of pale Bishop's violet which fades to pale orchid purple, sepals of creamy color. 75c each.

BRIDESMAID (Tiret)—Patented. Double corolla of pale lilac orchid deepening toward edges. White tube and sepals with light carmine blush. Strong upright bushy grower. \$1.00 each.

BUNKER BOY (Tiret)—Double corolla of long fluted petals near white at base shading to geranium lake at edges. White flushed pale carmine tube and sepals. Strong upright grower.

BURGUNDIAN (Schnabel)—A double burgundy red flower with dark wine red shadings. The waxy tube and sepals are of deep carmine. Tall growing variety. 75c each.

CALYPSO (Reiter)—Trade Mark Reg. A spectacular fuchsia with a double corolla containing chartreuse, cream, cyclamen purple and amethyst violet. Rosy cream buds open to long recurved sepals of unfading Tyrian Rose. Medium upright growth. \$1.00 each.

CAMEO (Schnabel)—Low bush with pale rose madder sepals and semi-double corolla of a shade lighter. Good pot plant.

CAMILLE (Schnabel)—A huge double with spreading corolla of Rose Bengal, reflexed sepals are short and colored crimson. Upright growth. 75c each.

CARMEL BLUE (Hodges)—Long, single corolla of beautiful blue, long greened white tube and narrow outspread white sepals flushed palest blush on underside. Vigorous upright bush with lots of flowers. 75c each.

CARNIVAL (Tiret) (Pat. Pend.)—Large, loose double of brilliant Spirea Red and glistening, frosty white sepals tinted on outer sides with delicate pea green. Long white tube, a heavy bloomer. \$1.00 each.

CHIQUITA (Reiter)—Trailer with masses of medium double flowers of pale rosy orchid with small crinkly foliage. A natural trailer that will be a good addition to this class. Each 75c.

CITY OF RICHMOND (Schnabel)—Medium size spreading corolla of pale pink with white upturned sepals. Medium grower and will flower early in season. 75c each.

CLARION (Reiter)—Upright grower with double deep rose-bengal corolla and recurved sepals of pure crimson.

DOUBLE FLOWERED FUCHSIAS—Continued

COLONIAL DAME (Hodges)—Full double corolla of medium to light pink, short broad out-spread sepals are rose pink, tipped green. Strong willowy grower. 75c each.

CORPUS CHRISTI—Double corolla of soft lilac-lavender, overlaid with flesh pink. Tube and upturned sepals of rose red. 75c each.

CORONATION (Tiret)—Patented. Double white spreading corolla, a most distinctive shade of rosy-raspberry. Short tube and long narrow sepals waxy white, sepals flushed soft pink on underside. Tall, upright willowy grower. \$1.00 each.

CREPE SUZETTE (Kennett & Ross)—Medium size, semi-double with inner petals white, flushed pink and the four outer basic petals of violet blue and scalloped, opening flat and surrounded by smaller petals. Small bush type. 75c each.

CRESCENDO (Reiter Sr.)—Double flowered with the outer one-third of corolla Peony purple and the margins and lower two-thirds are Turkey red. Sepals are Turkey red. Shrubby upright type of good growth and continuous bloom. The most red double Fuchsia.

CRINOLINE (Reiter)—A large puffy double with tube and broad sepals of rosy white tipped green and the deeper colored double corolla of clear rose.

CROWN JEWELS (Schmidt)—Large double widespread ruffled corolla of an attractive glowing rose, with pale green center when fully open; greenish tube and long broad, white sepals with faint blush. Tall, willowy grower.

DAINTY DAMOSEL (Schnabel)—A semi-double flaring flower whose rolled petals are deep violet blue fading to soft orchid banked by short star-like clear white sepals and short pink tube. Bushy upright grower with arching branches.

Georgana (See Page 13)

DOUBLE FLOWERED FUCHSIAS—Continued

DESERT SUNSET (Waltz)

Large, double corolla of smoky rose with splashes of coral and coppery tones turning brilliant crimson as flower matures. The short, white tube is flushed pink and the upcurled, broad sepals are a rosy shade. Semi-trailer. 75c each.

DON PERALTA (Tiret)—

Very large flower of semi-double corolla of deep carmine red similar in color to ANNA. Vigorous, upright grower.

DU BARRY (Tiret)—Pat-

ented. Double purple corolla with smaller outside petals of either flesh pink or heavily marbled. Tube and broad reflexed sepals of soft pink. \$1.00 each.

EASTER BONNET (Waltz)

—Large double corolla of a lovely dusky rose pink with deeper shade at base of petals, short tube flushed rose and broad frosty upturned sepals shading from deep pink at base to pale pink, pink, tipped with green. Medium size bushy plants. 75c each.

ECSTASY (Tiret)—Double corolla with inner petals of hyacinth blue and the outer the same splashed with Phlox pink. Broad Neyron rose sepals. Large flower and an excellent grower.

EL CAMINO (Lee) — Double corolla of white, heavily flushed and veined rose. Short tube and broad upturned sepals of rose red. Bushy grower of medium height. 75c each.

ENCHANTED (Tiret) — Patented. Large double campanula blue corolla, outer petals overlaid with fuchsia pink, all petals edged with pale lilac line, rose-red sepals. Good upright grower. \$1.00 each.

Crinoline (See Page 16)

FANTASY (Muriel Waltz)—A semi-double open flat flower of fair large purple petals pale orchid pink at center with smaller petals between, mostly pink shading purple at edges. Sepals and tube white flushed pink. Good upright grower.

FLIRTATION (Leitner)—Sport from Lucky Strike. Tube and long reflexed sepals of pale rose madder with petals evenly tinted with the palest Petunia purple.

FOREVER YOURS (Tiret) — Large, semi-double corolla of Campanula Violet, heavily marbled at base with light pink and rose madder, long, graceful recurved sepals of pale rose shading to delicate pale green at tips. Semi trailer. Early and continuous bloomer. 75c each.

DOUBLE FLOWERED FUCHSIAS—Continued

FLYING CLOUD (Reiter)—Patented.

Double white corolla and sepals with the palest rose tinting. One of the stronger growing "all white" Fuchsias. \$1.00 each.

FRENCHI (Waltz)—Tube flushed white with wide upturned recurved salmon-pink sepals. Large double corolla is silvery blue and pale rose-mauve with pink splashes. Medium bushy grower.

GEORGANA (Tiret) (Pat.)—Bushy upright grower with large double grey-blue corolla and pink sepals. \$1.00 each. See color cut, page 16.

GRAY LADY (Reiter) — Double corolla of exquisite pale grayish blue cast fading to delicate lavender rose. Vigorous upright grower.

GYPSY PRINCE (Ervin)—A sport of Gypsy Queen with the same large flowers but has corolla of deep violet purple with small outer petals marbled flesh pink at base. A fine variety for every garden.

GYPSY QUEEN — A very fine Fuchsia. Enormous flowers with deep crimson sepals and rosy mauve white line around edge of each petal, scarlet sepals.

HIS EXCELLENCY (Reiter) — A fine double purple with white tube and sepals. Medium to large globular flowers with rather fine small foliage. A must for the collection. 75c each.

INNOCENCE (Reiter) — A "near white" double flowered Fuchsia on a dense bushy plant. Semi-double medium sized flowers of glistening white petals and upturned sepals of pale rose to crimson at base and on tube.

JAMBOREE (Reiter)—A large double with corolla of irregular petals of real deep carmine with tube and sepals of the same bright color. The growth is stiffly upright and this new color has proved very popular. 75c each.

JUBILEE (Reiter)—A large double magenta red with petals edged with deep rose fading to lighter shade toward the center of the flower. Long spreading sepals of white flushed pale rose. Strong bushy grower. 75c each.

LACE PETTICOATS (Tiret) (Pat.)—Double corolla of serrated petals of white faintly shot with palest blush. Large full flower, outspread white sepals. Is most white in the shade. Vigorous upright grower. \$1.00 each.

LUCKY STRIKE — An unusual colored Fuchsia in rather striking combination of blue-purple-pink and gray tones. Globular in form and quite double.

MARIN JEWEL (Reedstrom)—Double mal-low purple corolla with apricot to pink shadings at the base of petals. Graceful upturned sepals of flesh pink and slightly darker on under side. Upright type will make a good pot or tub plant. 75c each.

MERLE HODGES (Hodges)—Large double fluffy corolla of soft powdery blue, lightly veined and outside petals flushed pink. Broad upturned sepals of rosy red. Low spreading bush. May be used in hanging basket.

MISS FRILLS (Tiret) — Double spreading corolla with scalloped petals of soft orchid lilac, tube and upturned sepals rose pink. Bushy grower and free bloomer.

MISS PRIM—Large semi-double with petals of deepest Imperial purple fading to lighter shade. Sepals carmine.

MOTH BLUE (Tiret) — Double corolla of deep lilac blue, short tube and long broad upturned red sepals. Strong upright grower.

DOUBLE FLOWERED FUCHSIAS—Continued

MOONLIGHT (Waltz) — Semi-double medium sized flower with corolla of palest fleshy pink deepening as flower matures. The short tube and long frosted sepals are greenish white tipped with pale green. Excellent for pot plant or basket.

NEW HORIZON (Reiter)—A large double corolla of crispy light blue petals and pale rose sepals. A delicately colored flower of good quality.

OLD SMOKY (Schmidt)—Large double old rose corolla with smoky cast and outspread sepals of flesh color. Somewhat pendulous branches.

PAPA BLEUSS (Tiret) (Pat. Pend.)—Huge, double corolla of deep Bishop Violet slightly marbled at base with delicate crimson. Inner part of recurved sepals are carmine rose and outer part pale rose and ivory. \$1.00 each.

PAPER DOLLS (Reiter)—Trade Mark Reg. Similar to Flying Cloud but they say it is larger and more white. The plants are strong, of medium height and with larger leaves. 75c each.

PARTY FROCK (Trade Mark Reg.)—Semi-double lavender-blue corolla splashed with phlox pink on outer petals. Tube and upturned sepals rose pink. Upright grower with large flowers. \$1.00 each.

PATTY EVANS (Evans & Reeves) — A vastly improved Rolla of which it is a seedling. The plants are extremely vigorous, growing to a height of 5 to 6 feet with large double flowers with corolla white.

PETITE (Waltz) — A small double pastel with bright lilac blue corolla and soft rose tube and sepals. Vigorous bushy grower ideal for potting.

PICOTEE (Schnabel) — Semi-double medium sized corolla and deep violet and pink petals—serrated outer edges, tube is ivory pink and thick sepals are deeper pink. Medium bushy grower.

PINK FAIRY (Waltz)—Large double clear pink corolla and creamy white tube with broad recurving sepals of palest rose slightly tipped white. An excellent pot plant.

PINK PARFAIT (Schnabel) — A double spreading corolla with tube, sepals and petals, all a clear shade of light “strawberry ice cream pink” which does not fade. Medium grower. 75c each.

PIO PICO (Tiret)—Very large double flower with corolla opening violet purple turning to wine purple, small outer petals splashed with fuchsia pink. Short tube and broad reflexed sepals of pale pink, inside of sepals deeper pink. Strong grower. \$1.00 each.

PLUM GLORY (Schnabel) — Trailer with double globular flowers of plum purple and recurved broad sepals of deep carmine. Free flowering and self branching. 75c each.

POLAR SEA (Reiter)—Very large corolla of deep purple marbled with white at base with white sepals and tube. A vigorous upright grower.

DOUBLE FLOWERED FUCHSIAS—Continued

POTENTATE (Reiter) — Double corolla with blend of rose madder and crimson, long tube and long recurved sepals of rose madder. Huge flowers of the Rubeo type. 75c each.

PURPLE NIGHT (Waltz)—A natural trailer with double medium to large flowers, center of corolla a deep royal purple while outer petals are heavily marbled with white and phlox pink, short white tube tipped with pink at base and upturned sepals are frosty white flushed pink 75c each.

PUGET SOUND (Hodges)—Double milky white corolla overlaid pink, all veined pink at base; tube and broad upturned sepals rosy red. Can be used as trailer.

REVERIE (Reiter)—Medium sized double with waved petals and recurved sepals of pale rose. Bushy growth and a beautiful Fuchsia. 75c each.

ROSE CHIFFON (Schnabel) — A semi-double natural trailer with apricot overtones. Flowers are a blend of Rose Bengal in the corolla with Rose Madder sepals. The petals are apricot tinted, giving the flower a warm rose pink cast. 75c each.

RUBEO (Tietz, 1947)—Vigorous bush with large rugose foliage. Corolla ranging from deepest rose bengal on the center petals to deep crimson on the outer petals. Color intensity is heightened with flecks of marbling of geranium lake. Pale carmine tube and carmine sepals.

Bewitched (See Page 14)

**DOUBLE
FLOWERED
FUCHSIAS**
(Continued)

SAN JOSE (Erickson)—

A sport of San Pablo but a little more trailing in habit. The large corolla is white and the sepals rose pink to rosy red. Should be a popular addition to the trailers. 75c each.

SANTA LUCIA (Munk-

ner)— Double orchid pink with rose veining in all petals, outside petals overlaid with salmon rose. Outside petals are attached to the broad spreading, deep red sepals. Large flowers on strong upright grower. 75c each.

SANTA MARIA— Dou-

ble white spreading corolla, heavily veined red and splashed red on outer petals. Tube and sepals deepest red. Upright growth.

SAPPHIRE (Waltz) — Double co-

rolla of deep purplish blue and wide frosty sepals of clear pink inside and outside. Flushed pink with short, creamy white tube. Ideal for pot plant. 75c each.

SAN LUIS OBISPO (Trade Mark

Reg.)—Double spreading corolla white with palest blush, veined and flushed carmine at base of petals, edges of petals curled and serrated. Tube and broad sepals deep carmine. Strong, upright growing. 75c each.

Flying Cloud (See Page 18)

*Ecstasy
(See Page 17)*

DOUBLE FLOWERED FUCHSIAS—Continued

- SHY LADY** (Waltz) (Trade Mark Reg.)—Double corolla of a creamy ivory opening to a symmetrical formal flower and petal turning to a new delicate shade of pale peach, short tube and broad pointed upturned sepals of ivory white. Upright grower naturally branching into bushy habit to make a good pot plant. \$1.00 each.
- SILVERADO** (Waltz)—Full double corolla of palest pink, orchid undertone, near white at petal edges. Tube and broad recurved sepals white with soft pink blush on inside of sepals. Larger flowers. Semi-trailer. 75c each.
- SNOWBALL** (Reiter)—Huge double creamy white corolla and white sepals and tube with flush of pink at the base.
- SO BIG** (Waltz)—Natural trailer of huge double flowers. Large long stemmed pointed buds open slowly to blooms of creamy white and long upturned sepals of pale pink which open measure five inches from tip to tip. 75c each.
- SOPHIA** (Tiret)—Double Dubonnet purple corolla, tube and long sepals waxy white, inside of sepals flushed palest carmine. Strong, upright grower. 75c each.
- STELLA MARINA** (Schnabel)—Semi-double huge flowers of violet blue marked crimson, long recurved crimson sepals. Large grower with abundant blooms.
- SUNDAY BEST** (Kennett & Ross)—Semi-double corolla of large spreading blue petals surrounded by smaller petals of blue, with pink marking. White tube and outer sepals white and inner flushed pink. Upright, vigorous growth. \$1.00 each.
- SUMMER SNOW** (Waltz)—Trade Mark Reg. Semi-double white corolla, tube and curved upturned sepals white tipped green. One of the Waltz outstanding introductions. Natural trailer. \$1.00 each. See front cover.
- SWINGTIME** (Tiret)—Double milky white corolla with slight pink veining at base. Tube and short upturned sepals shiny red. Good branching habit which should make a good basket type.
- THE ARISTOCRAT** (Waltz)—Large double creamy white corolla with flaring serrated petals slightly veined rose at base. White tube and spreading upturned pale pink sepals tipped with white. Strong upright grower.
- TITANIC** (Reiter)—Double corolla ranges from carmine at base of petals to deep petunia purple toward the edges which have a light "bead" margin. Short carmine tube and thick recurved carmine sepals. Will trail.
- THE DOWAGER** (Reiter)—A huge double flowered blue purple corolla, tube and sepals magenta red, with the size of flowers and the mass produced, easily one of the best of its class.
- TIMMY** (Evans)—Small semi-double flowers in abundance. White corolla, pink veins and broad upturned red sepals. A cross of the species Riccartoni. Should be hardy. 75c each.
- TREASURE** (Niederholzer)—Fine upright growth with plenty of flowers. Very pale orchid double corolla of large size; calyx Neyron rose. One of the best.

DOUBLE FLOWERED FUCHSIAS—Continued

TULIP TIME (Kennett and Ross)—Double flowers on medium bushy plants. Lobelia blue to violet. white sepals, pink below.

TUTU (Reiter) — Double flowered bushy growing variety excellent for pot culture. Large flat flowered corolla of pale Rhamamine purple flecked with pale violet. Spreading sepals are palest rose inside and greenish white outside.

ULTRAMAR (Reiter) (Trade Mark Reg.)—Very double corolla opens to a delicate gray blue and the base of the large incurved petals are stuffed with short white streaked irregular petaloides. Creamy white bud and long broad recurved sepals display a white iridescent inner surface. \$1.00 each.

UNCLE CHARLEY (Tiret) — Semi-double lilac lavender corolla, tube and broad sepals rose red. Strong growing and should espalier well.

UNCLE JULES (Reiter 1947)—Double violet blue, sepals crimson. Foliage is small and thick and the growth scandent. Giant double of fine "blue" coloring. Will trail.

VIENNA (Niederholzer) — Double corolla with long scalloped petals of soft lilac blue splashed with pale rose and Bengal rose. The tube and long recurved sepals of Bengal rose. Vigorous upright grower.

VOODOO (Tiret)—Large double corolla of the deepest purple violet with short tube and long, broad upturned sepals dark red. Strong upright grower.

WEDDING GOWN (Reedstrom)—Very double white corolla with petals that shade to pink at the base. Sepals are recurved and of palest flesh pink. 75c each.

WHITTIER (Home Fuchsia Gardens) — Semi-double corolla with large center petals white flushed pale orchid and shorter outer petals soft pink. Short tube and spreading sepals white, underside of sepals softest pink, tipped green. Medium grower. 75c each.

YONDER BLUE (Tiret)—Double globular corolla of deep blue and broad upturned sepals of rose red. Large flowers on a vigorous upright growing type. 75c each.

YULETIDE — Large double white corolla and crimson sepals. Strong grower. Espaliers nicely.

Dwarf Conifers

For Rock Gardens

Bonsai Dish Gardens

An increasing interest in these types of plants has led us to propagate many of these, especially in small sizes suitable for the above purpose and also allows easy and economical shipping.
